Tranquil Rum Point

Red Sail Sports is proud to include Rum Point as a wholly owned subsidiary of the Red Sail Group. Across the North Sound and away from the hustle and bustle of Seven Mile Beach, Rum Point offers visitors a perfect getaway. So named for remnants of rum barrels once washed ashore from floundering ships, this pristine slice of the north side, Grand Cayman has been a gathering spot for locals since one can remember.

The perfect venue for group events, Rum Point combines the very best of Grand Cayman, offering a “Signature Grand Cayman Experience.”

Charter a 65 foot luxury catamaran to world famous Stingray City Sandbar where guests will interact with friendly Southern stingrays in just 3-4 feet of water. A short distance from the sandbar Rum Point awaits.

Once guests arrive to Rum Point, the options are endless. Sip a signature Rum Point mudslide cocktail as you enjoy a specially prepared private buffet lunch or dinner in barefoot elegance under the stars. From burgers and sandwiches to island delicacies like conch fritters, jerk roasted pork on a spit, fresh grilled Caribbean lobster tails or local favorites like Rum Points’ famous seafood hotpot the list of possibilities is limited only by your imagination.

Whether it is snoozing in a shady hammock, participating in water sports that have been especially reserved for your group, playing volleyball or simply enjoying a relaxing massage from La Mer Spa’s mobile therapists there is something to do for everyone!
